FORWARD

A hill is not too hard to climb,

Taken one step at a time.

One step is not too much to take,

One try is not too much to make.

One step, one try, one song, one smile,

Will shortly stretch into a mile.

And everything worth while was done

By small steps taken one by one.

To reach the goal you started for,

Take one step more---Take one step more.

 May our lives e'er be guided by love and by pride
 In the nation whose banner will serve as our guide.
